Vision for Children and Families:

“All children in the CNMI will be safe, healthy, and thriving members of our culturally diverse community. Their families will have access to the high quality supports they need to achieve their potential.”

Health and Safety Training on Building and Physical Premises Safety

On April 23, 2024, ten (10) participants from Loving Hands Daycare, Pure Love I & II, and Team Koka–Tinian completed a two-hour training on *Building and Physical Premises Safety* (including identification of and protection from hazards that can cause bodily injury such as electrical hazards, bodies of water and vehicular traffic). This remote training was facilitated by Evergreen Learning Training and Development Specialist, Grace M. Mallari.

During the session, participants learned to identify potential hazards in childcare facilities and premises, and ways to address them. They also learned about active supervision and strategies for ensuring children’s safety.

This training is made possible through funding from the Department of Health and Human Services, Office of Child Care, CNMI CCDF Program under the Department of Community and Cultural Affairs.
