## **ENVIRONMENTAL HAZARDS & PHYSICAL FACILITY STANDARDS**

#### CCLP § 55-40.1-256 (a) - (c) Accidental Injury Precautions

The facility shall ensure that the childcare program staff minimizes the risk of accidental injury in the following manner:

- (a) Childcare activities and premises shall take precautions not to expose children to situations that may be hazardous to the particular age or capacity of the child;
- (b) The program shall help children to increase awareness of safety practices and accident hazards and to teach the children how to avoid such hazards; and
- (c) Accident prevention practices and policies shall be available in writing. The practices and policies shall be reviewed annually and the staff shall become familiar with the policies and practices.
